s surely a well woman. Dr. Pierce's Favorite Prescription has made thousands of melancholy and miserable women cheerful and happy, by curing the painful womanly diseases which undermine a woman's health and strength. It establishes regularity and so does away with monthly misery. It dries debilitating drains and so cures the cause of much womanly weakness. It heals inflammation and ulceration, and cures the bearing down pains, which are such a source of suffering to sick women.

"I take great pleasure in recommending Dr. Pierce's Favorite Prescription for female weakness," writes Mrs. Susannah Permenter, of Pauls Store, Shelby Co., Texas. "I was troubled with bearing-down pains in my back and hips for six years, and I wrote to Doctor Pierce for advice. I tried his "Favorite Prescription" and six bottles cured me. I feel like a new person and I thank Dr. Pierce for my health. Life is a burden to any one without health. I have told a great many of my friends about the great medicine I took."

Accept no substitute for "Favorite Prescription." There is nothing "just as good."

"For seven years I have been troubled with what the doctors called a 'fast heart, going at once from the usual beat to twice a fast, which in a short time would exhaust me last, which in a short time would exhaust meterribly and only after treatment by a physician it would get back to normal speed. These attacks increased in frequency and severity until December, 1901, when they came on once a week. Each attack would lay me up a day or more. The attack beginning January 3th, 1902, lasted 160 hours (almost a week) my heart best almost one hundred and fifty per minute and some times more. During this week my physician consulted with four other doctors, but all to no consulted with four other doctors, but all to no purpose. My heart finally slowed up, and it was then a serious question with my family what to do next; as for me, I was too far gone to care much what happened. Dr. Miles' almanac said, "write for advice" and my son wrote, receiving a nice reply. A neighbor told us he had used your remedies with great benefit. I took courage, began the use of Dr. Miles' New Heart Cure and Restorative Nervine until I had taken eleven bottles of the Heart Cure and seven bottles of the Restorative Nervine. I had two slight attacks after I began the use of your medicine the last one easting only thirty minutes. For more than asting only thirty minutes. Brigham Lyon, a young mar-ried man of this city, was arrested by the sheriff for an assault upon a 15-year-old girl, whose name will be withheld from this article. According to the girl it was a most brutal and dastardly affair, and the story as told by her is fully borne out by her physial appearance. It occurred Sunday vening in the southern part of the city when young Lyon approached her and with force attempted to accomplish his urpose, attempting to gag her with is handkerchief, which, in the deserate struggle, she tore into shreds, overed with mud and dishevelled, she poured out the tale to the officers, the details of which are too revolting for publication. Her face is bruised and there are other indications upon her body which show the terrific nature her combat with her bruitish assailent. Lyon tells a disconnected story out denies his guilt.
